Approved For Release 2001/08/28 : CIA-RDP65B00383R000200040109-8 MISTORIANDUM FOR: Report of Opium Poppy Cultivation in Cuba BUBURCT: 25X1A : *** 1. Transmitted herewith is a copy of er article from a New York Journel-Arerican deted June 17, 1962. 2. The Bursey of Harootics has requested confirmation of the report from the New York Journal-American. . I have already checked with NFIC and determined that CIA has no motographs of such cultivation, daupite the fact that the author of the article is reported to have claimed that he obtained this information with regard to the photographs from CIA. Would you kindly advise me as on whether or not there is any confirmation of the Journal services reir the author of the newspeper article. STATINTL
